## Montreal Premiere Ltd Desert Blue

Looking for a classic archtop that can do it all? Look no further – the Godin Montreal Premiere Desert Blue LTD has arrived. With its gorgeous Desert Blue finish (containing a hint of sparkle) and extremely comfortable neck, this guitar is a breeze to play and will be sure to turn heads.

The TV Jones Classic pickups are the perfect complement to this Limited-run guitar and are capable of producing authentic tones for jazz, rockabilly, rock, or anything else in between.

Additional features include a Richlite® fingerboard showcasing our unique inlays, 3-way pickup selector, and Master Tone/Volume controls.

The Godin Montreal Premiere Desert Blue LTD comes with the Godin archtop TRIC case.
