REDLINE

CUSTOM ORIGINAL ART SERIES

WITH ACTIVE EMG HUMBUCKERS
& FLOYD ROSE TREMOLO BRIDGE

The Redline Custom Original Art Series are a very special line of models which include four custom original instruments that are hand-painted variations of the Redline 3 guitar. Artistically designed by Montreal Artist Giulio Pampena, the four model names are the Redline 3 Roadkill HG, Redline 3 Cherry-Bomb HG, Redline 3 Carnage SG and the Redline 3 Celtic-Tatt HG. Each will be available on made to order basis as variations on the original designs and individually signed by the artist.
