INFORMATION Eric Ekman.

I currently own The Seagull Artist Mosaic CW HG Anthem EQ, A Godin Montreal Premiere LTD (Desert Green) A Godin A6 Ultra Koa HG A Godin Session Custom TriplePlay

I upgraded The Session Custom TriplePlay with locking tuners purchased from you.

I am now retired but I had a 25 year career with Telus in Network as an Electronics Technician.

I would be quite capable of installing a new preamp in the Seagull if I could talk to Fred. Thanks Eric Ekman
